Learn the basic concepts and the fundamentals associated with Python for Data Science in Delhi with the high-profile experienced training staff and mentors group possessing more than 10+ years of experience. Moreover, by maintaining the charm of being the Best Institute in Python for Data Science in the entire Delhi NCR. The Python Basics for Data Science includes Mathematics, Statistics, Python, Advanced Statistics in Python, Machine Learning, etc. which are offered by highly skilled faculties possessing full excellence in the reputed and respective domains.

Data Science with Python Course Content

- Module 01: Python – An Introduction
- Module 02: Comparisons of Python with Other Languages
- Module 03: Python Variables & Data Types
- Module 04: Operators
- Module 05: Python Conditional Statements
- Module 06: Python Looping Concept
- Module 07: Python Control Statements
- Module 08: Python Data Type Casting
- Module 09: Python Number
- Module 10: Python String
- Module 11: Python List
- Module 12: Python Tuple
- Module 13: Python Dictionary
- Module 14: Python Array
- Module 15: Python Date & Time
- Module 16: File Handling (Input / Output)
- Module 17: Multithreading
- Module 18: Python Mail Sending Program
- Module 19: Database Connection
- Module 20: OOPs Concepts
- Module 21: Interacting with Networks
- Module 22: Graphical User Interface
- Module 23: Python Web Scraping
- Module 24: Python for Image Processing
- Module 25: Python Data Science
- Module 26: Intro with Python Matching Learning
- Module 27: Intro with Python Artificial Intelligence

Course Highlights

Course Duration :
40 Hours

Language :
Hindi | English

Delivery Methods :
Classroom Training |
Online Training

Duration of Program
> 45 Days (2 Hours per Day)
> 15 Days (4 Hours per Day)
> 8 Days (5 Hours per Day)
> 5 Days (8 Hours per Day)

Complete Study material and required Software & certification will be provided during the course.

WHAT CRAW SECURITY PROVIDES

We will provide you with the best curriculum with in-depth information possessing industrial secrets and experienced facts from our well-qualified and experienced teaching faculties and mentors.
